Questions and Answers

#	Question	Response
1	Regarding Section 2.1, Standard Instructions, Clauses and Conditions, "Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.", can we provide a list of exceptions to Standard Instructions, Clauses and Conditions?	Bidders are welcome to submit a list of exceptions to the Standard Instructions, Clauses, and Conditions. However, whether or not these proposed exceptions are acceptable to Canada is a matter solely within the discretion of Canada. The process of submission of modifications to the terms and conditions is outlined in Section 4.3 of the RFP.
2	Can we submit our bid via email rather than Epost?	In accordance with Section 3.1 of the RFP, "Canada requests that the Bidder submits its bid in accordance with section 08 of the 2003 Standard Instructions." Section 08 of the Standard Instructions provides an overview of the process of submission of bids via epost Connect.
3	Are vendors allowed to offer multiple products in response to this solicitation?	As per Section 3 of Annex A – Statement of Work, "Veterans Affairs Canada (VAC) needs to procure an electronic medical evidence based point-of-care information tool to inform decision making when responding to consultations and adjudication requests." As such, Canada is looking to procure one (1) product that meets each and every Technical Criterion set out in the RFP. If a Bidder has multiple products that can separately meet each and every Technical Criterion, the Bidder may submit separate bids for each product.
