The original solicitation is hereby amended in the following manner:

REVISED CLOSING DATE OF:

02:00 PM on 2020-08-25

This amendment has been raised to answer the following questions:

Q1: Is there an ability to rent space on the base proper for a working space for the dedicated manager?

A1: No there isn't. The current incumbent is renting office space in the Canex strip mall.

Q2: Is there a central housekeeping storage area that may be used or would be provided for the storage and lock up of stock supplies and equipment that would not be used every day?

A2: No there isn't. The contractor will be provided space in each building to store their cleaning supplies. The floor plans should have the janitorial rooms/housekeeping area indicated which would include the square meters of floor space.

Q3: Is there an additional scope of work for deep cleaning and Covid 19-related response cleaning available?

A3: No there isn't.

Q4: Is there a designated parking area for the successful proponent's staff?

A4: The successful proponent staff may utilize any non-reserved parking spot located at the different buildings included in this Contract.

Q5: Has a Contract Start date been determined? If not, is there an anticipated Start Date?

A5: The anticipated start date is 01 October 2020.

Q6: Is there an Occupancy report or Volume of Occupancy in the Accommodation areas?

A6: We do not have an Occupancy report or Volume of Occupancy for the Accommodations areas. Due to operations, training cycles, deployments, tasking etc. the number of personal occupying any number of buildings at any time can change drastically. I have provided the "best guess" spreadsheet on occupancy load per building from our previous Contract.

Q7: Regarding Section 7.1.2.1 Task Authorization Process, will the Contractor have the ability to turn down any Task Authorization request that would be used to initiate the work in each instance?

A7: No, unless the scope of work fall outside the SOW of the Contract.

Q8: Regarding Section 7.1.2.3 Minimum Work Guarantee. Will there be an initial Task Authorization to form the starting basis for the contract? If so, Can you provide anticipated of sufficient volume or scope?

A8: No, Task Authorizations will be raised as work is required. The anticipated total Contract value will be based on the completed Basis of Payment tables submitted by the winning compliant bidder.

All other terms and conditions remain the same.
