Amendment 005 has been raised to publish all answers to questions received to-date.

## **A. AMENDMENT TO THE RFP**

### 1) Under **Part 3 – Bid preparation instructions**;

**ADD:**

#### **3.1.2 Exchange Rate Fluctuation**

*SACC Manual* Clause C3011T (2013-11-06), Exchange Rate Fluctuation

### 2) Under article **4.1.2 Financial Evaluation**;

**ADD:**

*SACC Manual* Clause A0222T (2014-06-26), Evaluation of Price-Canadian/Foreign Bidders

### 3) Under Article **4.2 Basis of Selection**:

**DELETE:**

The fact that a bid has been declared responsive does not mean that the bidder will be guaranteed contract.

**REPLACE BY:**

The fact that a bid has been declared responsive does not mean that the bidder will be guaranteed contract, nor that the entirety of a responsive bid will be accepted.

## **B. QUESTIONS AND ANSWERS**

**Q33.** Are FDA and/or CE certificate acceptable if manufacturer has not yet got the MDL certificate?

**A33.** No. The supplier needs to have an IO or class II medical device licenses for the gloves in question before the contract is awarded.

- 
- Q34.** Our company has been issued MDEL# to allow us the ability to import class 1 devices right now, not Class II. Can we still submit a proposal and be awarded a contract, with the understanding that we can work with the government under the Interim Order to speed up MDEL process to be qualified under Class II device before the first November delivery?
- A34.** The supplier needs to have an IO or class II medical device licences for the gloves in question before the contract is awarded.
- Q35.** Do you accept medical grade synthetic nitrile gloves that meet all your certification requirements? Synthetic nitrile is a mix of nitrile and vinyl material that is designed to have similar performance as nitrile?
- A35.** The RFP does not allow for substitute material; we require 100% nitrile products.
- Q36.** If 3 contracts are awarded, will the quantities be split, or are we guaranteed the quantity we submitted in the bid?
- A36.** According to article 4. Basis of selection, Canada reserves the right to award one or multiple contracts (a maximum of 3 contracts) for any responsive bid in order to fulfil its overall requirement. The fact that a bid has been declared responsive does not mean that the bidder will be guaranteed contract, nor that the entirety of a responsive bid will be accepted.
- Q37.** If the tender can be the supply of nitrile gloves ONLY but I choose to bid on the storage, is the tender judged on the whole package ie the nitrile gloves AND the storage component, or will the components be looked at independently?
- A37.** The components will be looked at independently.
- Q38.** Is it possible to deliver in April and May due to the backlog at manufacturers?
- A38.** No, all goods must be delivered by March 31, 2021.
- Q39.** We source the product in US Dollars. Could we price in US dollars to manage exchange rate risk?
- A39.** Please refer to this amendment (**A. Amendment to the RFP**).

**ALL OTHER TERMS AND CONDITIONS OF THE REQUEST  
FOR PROPOSAL REMAIN UNCHANGED.**
