---

The Solicitation Amendment 002 is raised to issue Addendum 003.

Please see Addendum 003 herein.

All other terms and conditions remain unchanged.

---

This addendum varies the Contract Documents and will form part of the Contract Documents and is to be read, interpreted and coordinated with all other parts, including General and Supplementary General Conditions of the Contract and all Sections in Division 1. The cost of all work contained herein is to be included in the Contract Sum. The following revisions supersede the information contained in the original drawings and specifications issued for the above named project to the extent referenced and shall become a part thereof.

---

## **GENERAL**

This addendum is issued prior to receipt of Bids to provide for certain revisions to and clarification to the Contract Documents.

The work required by this Addendum shall be executed in accordance with the requirements of the Contract and Contract Documents.

Include in the Stipulated Price, the cost of all work described in this Addendum.

## **ITEM 1: Questions and Answers**

**Q3-1. Would you provide us with an office area inside the building during the construction or do we have to bring a trailer?**

*See Specification 01 01 50 General Instructions (CSC) -section 1.10 Construction Facilities, and further clarified below.*

*Contractor will be responsible for office space. Work areas can be used for posting health and safety notices etc.*

**Q3-2. Is temporary water and power available during construction?**

*Yes.*

**Q3-3. Can we use the building washroom facilities or do we provide temporary washrooms?**

*See Specification 01 01 50 General Instructions (CSC), -section 1.10 Construction Facilities, and further clarified below.*

*Contractor should make arrangements for portable washroom, handwashing, and hand sanitizing.*

**Q3-4. Is there a stair access to the roof or do we need to build a scaffold to bring material up to the roof?**

*See Specification 01 35 33 Health and Safety Requirements (CSC) -section 1.24 Scaffolding, Specification 23 05 00 Common Work Results for HVAC -section 1.8 Hoists and Scaffolds, and further clarified below.*

*There is access through the building, but contractor should allow for use of a lift (hoist) or scaffold so that day-to-day facility operations have minimal impact.*

**Q3-5. Is security requirement mandatory for the GC and all trades?**

*See Specification 01 14 10 Security Requirements, and further clarified below.*

*All trades require approval from site for access. Typically they are required to sign-in daily, however, formal security background checks are not generally required.*

**END OF ADDENDUM NO.3**
