## IMPORTANT NOTICE TO BIDDERS

### PROMPT PAYMENT IN THE CONSTRUCTION INDUSTRY

#### **Prompt Payment Principles**

Public Services and Procurement Canada advocates that construction-related payments should follow these three principles:

- **Promptness:** The department will review and process invoices promptly. If disputes arise, Public Services and Procurement Canada will pay for items not in dispute, while working to resolve the disputed amount quickly and fairly

- **Shared responsibility:** Payers and payees are responsible for fulfilling their contract terms including their obligations to make and receive payment, and to adhere to industry best practices
