REQUEST FOR INFORMATION (RFI) AMENDMENT 001

MAIN CONSTRUCTION AND CARE & MAINTENANCE MANAGER FARO MINE REMEDIATION PROJECT (FMRP) FARO MINE COMPLEX, FARO, YUKON TERRITORY

This amendment is raised to advise that, due to ongoing uncertainty with the COVID-19 pandemic, the currently scheduled pre-tender optional site visit at the Faro Mine Complex has been cancelled. A virtual site visit will instead be held. This notice is being provided so that appropriate arrangements can be made by those who may have planned to travel to the event.

The registration instructions provided in section 5.3 of the original RFI remain valid. Instructions for the virtual event will be provided only to those suppliers who register, including to those who have already registered. Participation will remain limited to two (2) representatives for each entity or group of entities who may be considering a bid for the future RFP.

Additional updates on the virtual event may be provided through a future amendment to this notice.
