

#### Supplier Questions and Answers #4

1. I was looking into the bid that is closing tomorrow, regarding the face masks for arriving travelers and I noticed that security clearance is required. How would I go about finding a sponsor that could authorize the clearance for me?

Any inquiries regarding obtaining security clearances should be directed to the [Contract Security Program of Public Works and Government Services Canada](#) as per the Security Requirements section 6.1 within the Request for Proposal. Please also note that the solicitation closing period has been changed to August 24<sup>th</sup>, 2020 as per the update on August 19<sup>th</sup>, 2020.

2. For additional information on security requirements, Bidders should refer to the [Contract Security Program of Public Works and Government Services Canada](#) (<http://www.tpsgc-pwgsc.gc.ca/esc-src/introduction-eng.html>) website.
2. We are trying to send an email to [tpsgc.surveillancedelintegrite-integritycheck.pwgsc@tpsgc-pwgsc.gc.ca](mailto:tpsgc.surveillancedelintegrite-integritycheck.pwgsc@tpsgc-pwgsc.gc.ca) for the integrity declaration form and it does not work. We have no convictions for an offense; do we have to go through the process anyway? We already have our VOD.

The Public Health Agency of Canada does not maintain the Integrity Verification website and therefore could not advise on the broken link to their email address. The website does provide an online form for this purpose and there is a link to Report a Problem. We would advise contacting PSPC directly.

The Request for Proposal does require the supplier to provide the form with their proposal as part of the Certification documents.
