This Solicitation Amendment 001 is raised to incorporate responses to questions received.

Please find following responses to questions received.

As per Section 1.7; pg 5 of the "EZ113-210398_Specs"; it mentions that there contracts already in place for environmental and other consultants (see below).

1.7. Other Contracts

- 1.7.1. Other contracts are currently in progress at and adjacent to the Site.
- 1.7.2. Other contracts are:
 - 1.7.2.1. Environmental and other consultants.
 - 1.7.2.2. Site users as identified in Contract.
 - 1.7.2.3. Contractors performing work on behalf of the homeowner's insurance company on the building foundation and interior at the home at 2425 Glenview Avenue (adjacent to the Site).
- 1.7.3. Further contracts may be awarded while the Contract is in progress.
- 1.7.4. Cooperate with other contractors in carrying out their respective works and carry out directions from Departmental Representative.
- 1.7.5. Coordinate Work with that of other contractors. If any part of Work under the Contract depends on its proper execution or result upon Work of another contractor, report promptly to Departmental Representative, in writing, any defects which can interfere with proper execution of this Work.

Q1.) Is Golder continuing with this phase of this work?

A1.) Golder Associates Ltd., or others may perform environmental monitoring and confirmatory sampling on behalf of PSPC during the site work. Environmental monitoring conducted by and on behalf of PSPC does not relieve the Contractor of their responsibilities for environmental monitoring required by the Contract and by any requirements identified in the Contractor's Environmental Protection Plan.

Q2.) This RFP does not require environmental consultants?

A2.) The Specifications refer to the Contractor's Qualified Professional (QP) throughout text. The Contractor is required to engage a QP for many aspects of the work, including but not limited to Section 01 35 43, 1.4

All other terms and conditions remain unchanged.

End of Solicitation Amendment 001.
