Amendment 004 is raised to address the following:

- To respond to questions received during the solicitation period;
- To revise the solicitation accordingly, as applicable; and
- To extend the closing date of this Request for Proposals to Friday, September 18, 2020 at 14:00 Eastern Daylight Time (EDT).

Questions and Answers

#	Question	Response
17	Is username/password access an option or is access without a password a mandatory requirement?	Please see modifications to the solicitation below.

Solicitation Revisions

1. At Annex A – Statement of Work, Section 3 – Background:

DELETE:

Online access to the Tool is necessary for approximately 180 users within VAC on any web-enabled computer without the use of password within designated offices, as well as further access requirements as outlined in this document. The Tool is needed to provide the latest information such as diagnosis, testing, treatment, epidemiology, risk factors, prognosis, survival rates, treatment options and exposures relating to medical conditions.

INSERT:

Online access to the Tool is necessary for approximately 180 users within VAC using any web-enabled VAC computer via either IP authentication or via username and password. Further access requirements are outlined in this document. The Tool must provide the latest information such as diagnosis, testing, treatment, epidemiology, risk factors, prognosis, survival rates, treatment options and exposures relating to medical conditions.

2. At Annex A – Statement of Work, Section 4.1 – Accessibility:

DELETE:

4.1.1 The Tool must be compatible with VAC systems and be accessible simultaneously to the defined user group on any web-enabled VAC computer (and other computers to be designated in the contract) within designated locations. (Locations in Canada only) (M1)

INSERT:

4.1.1 The Tool must work, inter-operate, and be compatible with VAC systems. The defined user group must have simultaneous access on any web-enabled VAC computer, as well as any other computers to be designated in the contract, within locations in Canada only. Access must be provided via either IP authentication or via username and password. (M1)
