Questions & Answers

- Q1.** p.13 - item no. M1 / For the person in charge of fabrication and installation, must the fabricator or the person on our team who will supervise the fabrication process be identified? Since the project is not yet defined, it is difficult at this stage to determine which of our usual suppliers would be the most relevant. Can this choice be made during the project?
- A1.** For evaluation purpose please provide name of the Lead Fabricator / Installer you are envisioning at this time. If, for reasons that would be beneficial to the project this person needs to be replaced at a future date, you will be able to propose personnel substitution.
- Q2.** Will the working language for this project be English?
- A2.** Yes, the working language for this project is English.
