## Amendment 003

This amendment is raised to distribute the answers to bidder questions and make revisions to the tender package.

### A. QUESTIONS & ANSWERS

**Q3** Are there any product specifications for the imported topsoil? Are there any specifications for the seed mix to be used for the project?

**A3** Restoration with local materials only, no seeding required. Please refer to the Site Specific Supplementary Mitigations Table on pages 18-20 of "BMP\_EN.pdf" document found in the folder "DSP\_20-0019.zip"

**Q4** The specs provides an Experience table for the Project Manager, Superintendent/Field Coordinator and Machine Operators, however no information is provided on the experience or requirements for the Geotechnical Monitors.

**A4** Appendix B - Contractor Evaluation Form has been deleted from the specifications. Although workers are to be experienced in their respective roles, years of experience are not being evaluated as part of this solicitation. The contract will be awarded based on the lowest compliant bid price.

**Q5** Can the Project Manager and/or the Site Superintendent also act as the Geotechnical Monitor if they are qualified?

**A5** Appendix B - Contractor Evaluation Form has been deleted from the specifications as per the tender package revisions identified below.

### B. TENDER PACKAGE REVISIONS

#### 1. SPECIFICATIONS

**Delete:** APPENDIX B – CONTRACTOR EVALUATION FORM in its entirety

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED**
