Solicitation Amendment 001 is being raised to offer scheduled site visits, as follows:

Optional Site Visit:

Bidders may request a designated time slot between the hours of 9:30 AM and 12:30 PM on Thursday, September 10, 2020 by contacting Ian.Sceles@pwgsc-tpsgc.gc.ca. Bidders are to arrive for their scheduled visit at the BIO Jetty Gate by following Baffin Blvd to the Jetty area (NOT the main entrance of BIO as per usual site visits). Bidders MUST include a copy of the Pre-Screening Questionnaire below into their request for a site visit with responses NO LATER THAN Wednesday, September 09, 12:00 PM. Failure to provide the Questionnaire for each individual with the request for a site visit will preclude the bidders from accessing the site.

Generic COVID requirements for a bidder's visit are below:

- Proponents will be subject to a pre-screening upon entering the facility. Please see pre-screening questions below.
- While on site, proponents must maintain social distancing requirements of, at minimum, 2 metres. Where separation is not possible, masks must be worn.
- Proponents must follow all on-site signage (i.e. one way corridors, elevator capacity limits etc.)

Pre-Screening Questionnaire (to be copied into the request for site visit)

1. Are you now, or within the past 14 days, experiencing any of the following symptoms:

- Fever
- Cough
- Difficulty Breathing
- Fatigue
- Pneumonia in Both Lungs

2. Within the past 14 days, have you travelled outside of the Atlantic Provinces or internationally?

3. Within the past 14 days, have you been in close contact with anyone who has a presumptive or positive case of COVID-19 or who is symptomatic? This includes caring for anyone in quarantine, exhibiting COVID-19 symptoms, waiting for presumptive test results, etc.

By answering "yes" to any screening questions, or presenting with a fever, you will NOT be granted access to the facility.

All other terms and conditions remain the same.
