## AMENDMENT 001

Amendment 001 is raised to update the bidder instructions, answer the following questions and update Appendix A, Appendix B, Appendix C and Annex B:

### DELETE:

#### PART 2 - BIDDER INSTRUCTIONS

##### 2.2 Submission of Bids

Due to the nature of the bid solicitation, bids transmitted by email to the RCMP will not be accepted.

### INSERT:

#### PART 2 - BIDDER INSTRUCTIONS

##### 2.2 Submission of Bids

Bids transmitted by email to the RCMP will be accepted.

The only email address for responses to bid solicitations is [ATL\\_Procurement@rcmp-grc.gc.ca](mailto:ATL_Procurement@rcmp-grc.gc.ca)

For bids transmitted by email, Canada will not be responsible for any failure attributable to the transmission or receipt of the email including, but not limited to, the following:

- a) Receipt of garbled, corrupted or incomplete bid;
- b) Availability or condition of the receiving email system;
- c) Incompatibility between the sending and receiving email system;
- d) Delay in transmission or receipt of the bid;
- e) Failure of the Bidder to properly identify the bid;
- f) Illegibility of the bid; or
- g) Security of bid data

### QUESTION 1

We don't know the flow rate of the 3 facilities mentioned in the tender. We will need this information, since this will dictate the running life of the equipment.

### ANSWER 1

We do not have flow rates - an estimate is expected based on building use.

### QUESTION 2

Are there any dimensions/drawings for the room where the system needs to be installed? This will help us decide the length and width of the equipment.

### ANSWER 2

We do not have dimensions which is why there were two site visits built in (one for planning, one for installation). The size (m<sup>2</sup>) has been added to Appendix A, Appendix B and Appendix C.

**DELETE:**
