## **APPENDIX B**

Price Offer Form (revised)

## APPENDIX B - PRICE OFFER (REVISED)

### INSTRUCTIONS

1. Complete price offer form and submit in a separate sealed envelope, with the Offeror's name, Solicitation Number, and "Price Offer Form" typed on the outside.
2. Price offers are not to include Applicable Taxes and will be evaluated in Canadian Dollars.
3. Offerors are not to alter or add information to the form.
4. In order to ensure that fair and competitive hourly rates are received for each of the positions listed, the following requirement must be strictly adhered to: offerors must provide an hourly rate for each listed position. In the event that the firm consists of fewer personnel than listed, provide an hourly rate that corresponds with each position listed. The hourly rate provided must be equal to or greater than the hourly rate provided for the position listed below it. For example, if the firm does not have an Intermediate Engineer, the hourly rate provided must be equal to or greater than the hourly rate provided for the Senior Technician. The hourly rate for any given category of personnel cannot be \$0 or nil value. Failure to insert an hourly rate for each position listed will render your offer non-responsive.
5. The hourly rates identified will be for the duration of the Standing Offer.
6. Travel and Living Expenses:
  - (a) Travel-related expenses associated with the delivery of services will be calculated from the PWGSC's Vancouver Office - 800 Burrard Street, Vancouver, BC V6Z 0B9 - or from the Consultant's office to the project site, whichever is closer.
  - (b) Firms are advised that any travel time and travel-related expenses associated with the delivery of services within a 50 km radius of the above locations are to be calculated as an integral part of the hourly rates. For delivery of services outside of this 50 km radius, travel related expenses will be paid (with prior approval of the Departmental Representative) in accordance with current National Joint Council Travel Directive.
7. Fixed hourly rates for each Category of Personnel are to be provided in columns B and D and multiplied by the weight factor % in column A (provided for evaluation purpose only). Sub-totals of columns C and E are then multiplied by the identified weight factor % of each period and the results are added for evaluation purposes.
