This RFP Amendment 002 is raised to:

1. Modify the RFP's end date;
2. Remove the Confidentiality Agreement at Annex I;
3. Clarify some points about ITAR; and
4. Clarify some points about TACS Licenses.

1: At page 1, delete in its entirety:

**Solicitation Closes - L'invitation prend fin
at - à 02:00 PM
on - le 2020-10-13**

Replace with:

**Solicitation Closes - L'invitation prend fin
at - à 02:00 PM
on - le 2020-10-30**

2: At Annex I – Confidentiality Agreement, on P.152, delete in its entirety.

The confidentiality agreement will not be a part of this RFP or subsequent contract.

3: Clarifications on ITAR:

While the preference is a non-ITAR solution, the Project team don't see the challenges introduced by a ITAR solution as compelling justification to eliminate all the bidders with an ITAR solution from the competition. As mitigation the RFP does requires all bidders to comply with Canada's requirements for technical access and flexibility in customization, support and deployment of the proposed solution.

4: Clarifications on TACS Licenses:

Clarification on ANNEX C – Basis of Payment, Acquisition Contract, Line item "TACS 12 Operational Independent Instances of Licenses**"

The bid price for this line item must be inclusive of all NRE developmental and any other associated work that will allow an existing and/or off-the-shelf solution to meet all the requirements as stipulated in the ANNEX A1, System Performance Specifications and ANNEX A0, Statement of Work. This deliverable must also provide for a minimum of 12 instance of any proposed solution to be deployed independently and simultaneously.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
