ADDENDUM NO. 2

Subject: **ITT Invitation to Tender No. FP802-200119**

Title: Multi-Site Pier and Tower Replacement, Lake Nipissing, Ontario

Location: Lake Nipissing, Ontario

Closing Date: **Monday, September 21, 2020 @ 2:00 PM (EDT)**

Dear Sir/Madam:

Further to the above-mentioned Invitation to Tender, this **Addendum #2** is to advise potential bidders of the following questions and answers received to date:

Q1 . We are reviewing this tender and are familiar with the proposed work areas. Would the Owner accept alternate tower supports constructed of Steel, fully engineered, galvanized, anchored etc in lieu of reinforced concrete footings? This consideration would be to address the complexities of the placement of ready-mix concrete within specifications at the various work locations.

R. No this is not acceptable.

Yours truly,

Ginette Aliaga
