The pre-qualified suppliers may not submit a bid in response to this bid solicitation unless they have been invited to do so (formally or informally through Appendix A of the NPP). Otherwise, the submission will not be considered. However, should an uninvited pre-qualified supplier wish to be invited, it may contact the Contracting Authority to request an invitation at any time prior to two (2) working days before the published bid closing date, and an invitation will be made to that pre-qualified supplier unless it would not be consistent with the efficient operation of the procurement process. In no circumstance will such an invitation require Canada to extend a bid closing date.

Pre-qualified suppliers that are invited to compete as a joint venture must submit a bid as that joint venture SA Holder, forming no other joint venture to bid. Any joint venture must be already qualified under the E60ZT-18TSPS series as that joint venture at the time of bid closing in order to submit a bid.
