## Amendment 001

This amendment is raised to answer bidder questions.

### A. Question and Answer

**Q1)** The contract specifies which methods are preferred for the moving of merchantable timber to a landing zone - but does not specify much about the removal of said timber. Is PCA agency moving these logs off-site? Or is it the contractor's responsibility?

**A1)** Hauling merchantable timber off-site is not in the scope of this contract. Timber hauling to be performed by others.

**Q2)** The limbs, tops and non-merch timber can be removed from site or burned. In the **Monument DUA**, several locations are suggested for burning; however the **Illecillewaet Campground** only has one area designated for burning. Is the expectation that all non-merch material to be burned is moved to this spot? Or are other burn sites, closer to the trees being removed, a possibility?

**A2)** Bidders shall assume the only locations available are those identified in the documents.

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED**
