### **AMENDMENT NO. 003**

This amendment is raised to answer bidders' questions.

#### **QUESTIONS AND ANSWERS**

**Question 3:** Regarding Workstream 5 Cyber Protection Services - MTC1-A & RTC1: Both of these requirements are requesting billable days for a Privacy Impact Assessment Specialist, however, on page 9 of the RFP, Annex B Basis of Payment, and within Annex A Statement of Work, this is not listed as a category included in this solicitation. Can the Crown please confirm that MTC1-A and RTC1 should be requesting billable days for C.6 IT Security Engineer?

**Answer 3:** Please refer to Revision No. 2 and No. 3 from Solicitation Amendment 001; and Revision No. 4 from Solicitation Amendment 002.

**Question 4:** Due to the complexity and amount of information requested for the preparation of a response to this solicitation we would like to request a one month extension to the solicitation closing date to ensure that vendors are able to submit high quality responses that provide the best value to the crown.

**Answer 4:** Please refer to Revision 1 from Solicitation Amendment 001.

**Question 5:** Page 6 of the RFP reads: "In the event that a Bidder wants to bid on more than one Workstream, a separate technical bid should be submitted for each Workstream." Can Canada clarify if a bidder submitting a response to all 5 Streams is allowed to present the responses in the following format?

- Five (5) Technical Proposals
- One (1) Certifications document for all five (5) streams
- One (1) Financial Proposal document for all five (5) streams

**Answer 5:** The Bidder should submit a separate Technical Bid for each Workstream; a separate Financial Bid for each Workstream; and a separate Certifications document for each Workstream.

**Question 6:** For Workstream 5 – CYBER PROTECTION SERVICES, the resource category Privacy Impact Assessment Specialist is mentioned in requirements MTC1-A, MTC1-B, and RTC1; however, this category does not appear in the Statement of Work (SOW) or in the Basis of Payment. Can Canada clarify what category the RFP should refer to?

**Answer 6:** Please refer to Revisions No. 2 and No. 3 from Solicitation Amendment No. 001; and Revision No. 4 from Solicitation Amendment 002.

**Question 7:** For bidders looking to prepare response packages to more than one workstream, there is a great level of detailed required as outlined in the mandatory and rated requirements. Would Canada grant a three-week extension to November 12, 2020?

**Answer 7:** Please refer to Revision No. 1 from Solicitation Amendment 001.

**Question 8:** This is to request an extension to the closing date of the RFP due to the amount of work that is involved in preparing a compliant response.

**Answer 8:** Please refer to Revision No. 1 from Solicitation Amendment 001.

**ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME**
