Note:

Due to past competitive RFPs, where close to 15 bids were received and evaluated, IRCC has chosen to limit the number of suppliers permitted to bid to 21. This is in accordance with the minimum number for a Tier 1 requirement over the NAFTA threshold as per the TBIPS rules. With our current staffing limitations, inviting additional proponents would create undo process or inefficiencies within our procurement system. With this, no additional pre-approved suppliers will be added to the invitee list and that the list is limited to the suppliers indicated within the NPP.
