Amendment 004

Amendment 004 is raised to:

- A. Amend Article 2.18 Conflict of Interest – Unfair Advantage
- B. Provide answers to enquiries from industry.

A. Amend Article 2.18 Conflict of Interest – Unfair Advantage

ADD to Article 2.18 Conflict of Interest – Unfair Advantage the following:

- 4. A Respondent may submit a Response for both this Construction Management Services RFQ and the Architectural and Engineering Services RFQ (EH900-201607/B). However, the successful Bidder cannot also be awarded the Architectural and Engineering Services contract that may result from the Architectural and Engineering Services RFQ (EH900-201607/B). Should a Respondent meet the prequalification requirements and achieve an aggregate score within the top four (4) ranking Responses for both solicitations following Phase I – RFQ, the Respondent will have the opportunity to determine which of the two competitions they will no longer pursue and withdraw from that competition prior to Phase II – RFP.

B. Provide Answers to Enquiries from Industry

No.	Question	Answer
6.	We have submitted our bid for the aforementioned RFQ and are in the midst to completing our submission for the CM initiative Supreme Court RFQ Solicitation EH900-201608/B. We understand the two tenders are unique. As such, are there any procurement regulations that preclude our team from submitting proposals on both tenders? Given the fact that we would not have been involved in the preparation of RFP documents is it fair to assume that there will be no basis of conflict if selected for either or both of these mandates?	A Respondent may submit a Response to both solicitations. However, as per the terms and conditions that will form part of the corresponding RFPs, a Construction Manager cannot also hold a contract for the Architectural and Engineering Services as holding both resulting Contracts would be considered a conflict of interest during the project. Please see item A above amending Article 2.18.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
