Description of Work:

To assist the Transformation and Modernization Services (TMS) directorate, the Information Systems Branch (ISB) in Agriculture and Agri-Food Canada (AAFC) has requirements for experienced IM/IT professionals on an as-required basis to provide subject matter expertise and applied support to the planning, delivery and project management of AAFC's adoption of Microsoft 365 (M365). This requirement is to provide expert-level advice and applied technical and project management support services to assist AAFC in managing the successful planning, implementation, delivery and sustainment of its on-going transformation to an enhanced virtual workplace, across the organization.

The Contractor must supply professional IM/IT resources to provide IT services in all of the required resource categories as set out below, on an "as and when requested" basis, as specified in the TAs, as authorized by AAFC.

- Bidders must submit a bid for the resource categories listed above.
- This requirement will be met with one (1) Contractor.
- There is no contractor fulfilling this requirement.

Security Requirement: Yes

Minimum Corporate Security Required: Facility Security Clearance at the level of Secret

Minimum Resource Security Required: Secret
