This Amendment #001 is raised to:

- 1: Correct Time Zone of solicitation
- 2: Issue Addendum #01.

- 1: Time Zone:

**DELETE:** Pacific Daylight Savings Time

**INSERT:** Pacific Standard Time

- 2: Issue Addendum #01

Please see Addendum #01 attached.

The Addendum will form part of the contract documents.

**All other terms and conditions remain unchanged.**

<p>The following changes in the tender documents are effective immediately. This Addendum will form part of the contract documents.</p>
---

**Q1:**

Section GI 13.3 – Limitation of Offers states ‘An arrangement whereby Canada contracts directly with a consultant who may retain sub-consultants or specialist consultants to perform portions of the services is not a joint venture arrangement. A sub-consultant or specialist consultant may, therefore, be proposed as part of the consultant team by more than one Offeror. The Offeror warrants that it has written permission from such sub-consultant or specialist consultant to propose their services in relation to the services to be performed’.

As the RISO is for mechanical and electrical services, can you please confirm that if a mechanical firm were to act as the Prime consultant, that the electrical consultant, as sub-consultant, would be able to team with multiple mechanical firms as sub-consultant or whether firms must submit exclusively together.

**A1:**

One firm must be designated as the Prime consultant. They may utilize sub-consultants to meet the qualifications outlined in the RISO if their firm does not meet all the requirements. If sub-consultants are used, the sub-consultants' personnel designated must be guaranteed for the standing offer duration.

**Q2:**

You might further confirm if a sole submission by either electrical or mechanical would be accepted or whether only team-based submissions are envisioned for this RISO.

**A2:**

A submission from either a solely electrical or mechanical firm may be accepted if they meet the technical requirements outlined in this RISO.
