Request for Quotation Amendment no. 005 is raised for the following reason:

- To address questions pertaining to the specifications and delivery.
-

Question 7

Is 85W of Power delivery required for both USB-A and USB-C devices?

Answer 7

85W of Power Delivery is required for USB-C Devices.

Question 8

Does the Power delivery need to come directly from the docking station or will the Crown accept an additional adapter/dongle to provide the required 85W power?

Answer 8

Yes, it has to come directly from the Docking Station.

Question 9

The response to Question 3 does not state whether partial late delivery is acceptable. Will the Crown allow some bidders the luxury of delivering only some of the firm quantities within the thirty days allotted?

Answer 9

Any changes to the Delivery date must be requested to and approved in writing by the Contracting Authority. Delivery of half (or more) of each departments initial deliverables must be completed within 30 government working days and the remaining initial deliverables must be delivered before the end of the calendar year.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
