Amendment 001

The amendment 001 is raised to provide responses to questions received to-date.

Questions and answers

Question 1: Annex G , Part II – Sample Evaluation - section 4.1.8 for the visual inspection of the Marking Instructions for the label was a requirement in solicitation M7594-195631/A and is removed in this latest solicitation M7594-195631/B. Please confirm that under this solicitation the Pre-award samples labels will not be evaluated and Marking instructions will be finalized with the RCMP post contract award.

Response 1: In accordance with section 4.1.1, the Mandatory Technical Evaluation will be based on criteria the Mandatory Technical Criteria found in Annex G. Annex A Statement of Requirement provides additional details of the labelling requirements for the Contract Deliverables.

Question 2: Can you please provide Annex B and Annex C again as there seems to have been an issue copying these sheets into the solicitation? Additionally if they can be provided as spreadsheets/excel files it will make it easier to insert prices for the customer. Please advise if this can be provided.

Response 2: Please see Annex B and Annex C in this Solicitation Amendment. Unfortunately we do not provide the RFSO, or any part(s) of the RFSO, in the Excel version.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
