WORKSTREAM 2: ORACLE SOA/BPM SUITE

Note to Bidders: A Word version of this document is available by sending a request by email to Rosanna.haroutounian@tpsgc-pwgsc.gc.ca

Note to Bidders:

Criteria RTC1 will be evaluated as follows: Points will be allocated for each technology the Bidder demonstrates its experience with, as described in the criteria.

For example, where there are ten technologies listed, and ten points are allocated for each technology in a reference contract that demonstrates a Bidder's experience with the technology, to a maximum of 50 points per technology, points would be allocated in the following manner:

- a) If the Bidder references one contract, and demonstrates that it used all ten of the technologies listed in the criterion in the one contract, the Bidder would be awarded ten points per technology demonstrated for an overall score of 100 for the criterion (10 points x 10 technologies demonstrated in 1 contract each).
- b) If the Bidder references five contracts, and demonstrates that it used all ten of the listed technologies in the criterion in each referenced contract, the Bidder would be awarded ten points per technology demonstrated in each referenced contract for an overall score of 500 for the criterion (10 x 10 technologies demonstrated in 5 contracts each).
- c) If the Bidder references two contracts, and Contract A demonstrates that the Bidder used only Technology X, and Contract B demonstrates that the Bidder used only Technology Y, the Bidder would be awarded ten points per technology demonstrated for an overall score of 20 (10 points x 2 technologies demonstrated in 1 contract each).
