

Exhibit Centre Information Package

Note: In addition to the following information, pictures of all three exhibit venues can be found at <https://drive.google.com/drive/folders/1ZXbXX779w81SqKtxSNFG-eG51u7EmGpY?usp=sharing>

1. Kivalliq Regional Visitor Centre

Address: 131 Sivulliq Avenue, P.O. Box 979, Rankin Inlet, NU X0C 0G0

Excerpts from the Memorandum of Understanding between Parks Canada and Government of Nunavut (Department of Economic Development and Transportation – ED&T)

2. Areas of Mutual Interest for Cooperation
 - 2.1 The Participants express a desire to cooperate within their respective mandates to demonstrate connection between Inuit and the land that sustains and nourishes them through this exhibit.
 - 2.2 The Participants express their desire to work together to:
 - i. Increase Canadians' Connection with Ukkusiksalik National Park in the Kivalliq Region
 - ii. Promote public understanding and appreciation
 - iii. Increase visitation and economic benefit to the Kivalliq Region
3. Operational Requirements

The following sets out the key roles and responsibilities to be carried out by each Participant.

- b. Parks Canada shall:
 - iii. take into account the request of ED&T regarding the layout, portability look (on wheels) and feel to ensure continuity between this exhibit and other displays and exhibits in the facility
 - iv. produce the exhibit in English, French and Inuktitut (Kivalliq: Aivilingmiu dialect)
- ED&T shall:
- i. Accept the exhibit from the transport providers on behalf of PCA at the time of shipment

Dimension of the space

Refer to “2019-08 Rough sketch of the Kivalliq Regional Visitor Centre displays” file to see the location of the exhibit, indicated by “Location A”.

The wall space is approximately 55 inches wide on one wall and 72 inches on the other wall, but it should balance with other pictures along the wall so 41 inches on either wall would be approximately right for the width. Floor space is large 16 feet by 26 feet, but the exhibit should not take up all of that space. See the images.

Approximate door dimensions:

Back door

Height 78 inches

Width 33 inches

Outer Front door

Height 78 inches

Width 34 inches

Inner Front Door

Width 33 inches

Note: There is a barrier between the double doors.

2. Akumalik Visitor Centre

Address: PO Box 149, Baker Lake NU, XoC oAo

Excerpts from the Memorandum of Understanding between Parks Canada and the Baker Lake Hamlet

2. Areas of Mutual Interest for Cooperation

2.1 The Participants express a desire to cooperate within their respective mandates to demonstrate connection between Inuit and the land that sustains and nourishes them through this exhibit.

2.2 The Participants express their desire to work together to:

- i. Increase Canadians' Connection with Ukkusiksalik National Park in the Kivalliq Region
- ii. Promote public understanding and appreciation
- iii. Increase visitation and economic benefit to the Kivalliq Region

3. Operational Requirements

The following sets out the key roles and responsibilities to be carried out by each Party.

b. Parks Canada shall:

- i. Research, design and produce an exhibit about Ukkusiksalik National Park
- iii. take into account the request of the Hamlet regarding the layout, look and feel to ensure continuity between this exhibit and other displays and exhibits in the facility
- iv. produce the exhibit in English, French and Inuktitut (Kivalliq: Aivilingmiu dialect)

Hamlet shall:

- i. Accept the exhibit from the transport providers on behalf of Parks Canada at the time of shipment

Dimension of the space

There are two potential locations for the exhibit, location A and location B. Refer to “2019-08 rough sketch of the Baker Lake VC” file.

Location A is 61 inches by at least 100 inches. Location B is 69 inches by about 124 inches.

Notes: The area is where the desk and window are. The wood colour and framing material and style are the key things to marry with the existing exhibits.

3. Naujaat Parks Canada Office

Address: P. O. Box 220, Naujaat (Repulse Bay), NU XoC oHo

Dimension of the space

There are two walls in the Naujaat office that could be used. Refer to pictures Naujaat Office Location A and Naujaat Office Location B.

Location A (above the couch in the picture) is 108 x 108 inches and Location B is 108 x 70 inches. The smallest door to access the area is 83 inches by 34.5 inches.

Note: This is a typical government office built in the last 10 years, with drywall, painted doors, durable linoleum finish. The exhibit frame could be finished wood.
