**Les documents français seront disponibles sur demande.**

This Amendment #003 is raised to Issue Addendum #03.

Please see Addendum #03 attached.

The Addendum will form part of the contract documents.

**All other terms and conditions remain unchanged.**

<p>The following changes in the tender documents are effective immediately. This Addendum will form part of the contract documents.</p>
---

**Q1:** Could you please confirm whether we are able to propose a team that exceeds the number of CVs that we are limited to provide? We note that it is requested to submit a maximum of two CVs of senior personnel and three CVs of project personnel. Therefore, are we able to propose a team in excess of 5 people? Furthermore, are we to propose a team member for each level of the Consultant personnel section beginning on page 51?

**A1:** The only personnel to be presented formally for evaluation purposes are posted in Section 3.2.4 and 3.2.5.

The maximum number of pages (including text and graphics) to be submitted for the Rated Requirements under SRE 3.2 is thirty-five (35) pages. Any pages which extend beyond the page limitation and any other attachments will be extracted from the offer and will not be forwarded to the PWGSC Evaluation Board members for evaluation.

**Q2:** Given the extent of the material requested, would it be possible to extend the closing date of above-mentioned project by one week please?

**A2:** No extension will be granted.

**Q3:** We would like to ask for clarification of 3.2.3 Past Experience of the Request for a Standing Offer for Mechanical and Electrical Services (F1700-204351/A).

The Offeror is required to provide a maximum of three (3) significant projects completed over the last five years. Is PWGSC looking for a total of three (3) significant projects from both mechanical and electrical services or three (3) significant projects of each service?

**A3:** The proponent will have to demonstrate that they can meet the requirements of the RISO with the presentation of a maximum of three (3) projects. Please review Section 3.2.3.
