**Answer #1**

This is a Request for Information (RFI) meant to gather information and feedback from the industry. Any respondent can provide an answer.

This is not a bid solicitation and a contract will not result from this RFI nor will it necessarily result in any subsequent procurement action.

The objective of this RFI is to understand if there are suppliers who are capable of delivering the Information Communication Technology (ICT) Accessibility Testing services or who are potentially knowledgeable and would be able to respond to subsequent procurements.

**ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.**
