

**SOLICITATION REVISIONS**

**Revision 14. At Form M1-A for Workstream 1:**

Delete: In its entirety.

Insert:

<b>FORM M1-A FOR WORKSTREAM 1 BIDDER'S EXPERIENCE</b>
<p>In accordance with the requirements of mandatory evaluation criterion MTC1-A for Workstream 1, provide the following information for each Contract identified:</p> <ul style="list-style-type: none"><li>a) The name of the client organization;</li><li>b) The project name under which services were provided (if applicable);</li><li>c) At a minimum, the client's full name and email address. Bidders are also requested to include the title of the client;</li><li>d) The Contract number or reference number;</li><li>e) The start and end dates for the Initial Contract Period (dd-mm-yyyy to dd-mm-yyyy), not including amendments;</li><li>f) The total initial minimum value (excluding applicable taxes) of the Initial Contract Period, not including amendments, or the total billed value of the Contract (excluding applicable taxes);</li><li>g) A clear statement indicating whether the reference contract was procured through the TBIPS contracting vehicle;</li><li>h) For each resource that is the same or similar to an Application/Software Architect, a Programmer/Software developer, a Technology Architect, and a Project Manager identified in the reference contract in response to item 1. e) in MTC1-A:<ul style="list-style-type: none"><li>i) The title of the resource;</li><li>ii) The full name of the resource;</li><li>iii) The resource's years of experience (years and months) as an Application/Software Architect, a Programmer/Software developer, a Technology Architect, or a Project Manager;</li><li>iv) The start date and end date (dd-mm-yyyy to dd-mm-yyyy) of the one-year period in which the resource completed a minimum 80 billable days on the referenced Contract;</li><li>v) The total number of billable days completed by the resource on the referenced Contract during the one-year period;</li><li>vi) A list of all the applicable technology domains the resource used while providing services under the referenced contract in the referenced Contract;</li><li>vii) For similar categories, the mapping of the SOW tasks and deliverables of this requirement to the tasks and/or deliverables of the resource category identified in the reference contract; and</li></ul></li><li>i) A signed attestation from the Project Authority or Technical Authority for the contract certifying that the contract information provided (excluding h) iii)) is accurate.</li></ul>

Solicitation Number:  
G9292-223847

Amendment Number:  
006

Buyer ID:  
625ZM

For the purpose of this criterion the term 'task' includes the deliverables identified in the SOW for the resource category. For example: If a SOW category identifies 11 tasks and 4 deliverables, the bidder must use any combination of 11 of the category's SOW tasks and deliverables to meet the 70% mapping requirement (70% of 15 = 11).

#### TABLE 1

Table 1 is provided to assist Bidders in structuring the required information for MTC1-A Workstream 1. Bidders should replicate Table 1 below as needed to provide the required information.

1. Reference Contract Number	No.:
2. Specify the resource category from this solicitation's SOW	Resource Category:
3. The full name of the resource:	
4. The resource's years of experience (years and months) as an Application/Software Architect, a Programmer/Software developer, a Technology Architect, or a Project Manager:	
5. The start date and end date (dd-mm-yyyy to dd-mm-yyyy) of the one-year period in which the resource completed a minimum 80 billable days on the referenced Contract:	
6. The total number of billable days completed by the resource on the referenced Contract during the one-year period:	
7. Indicate the applicable technology domains used by the resource while providing services under the referenced Contract:	<p>Select only those which apply:</p> <ul style="list-style-type: none"><li><input type="checkbox"/> Solution development and testing</li><li><input type="checkbox"/> Orchestration and event Management</li><li><input type="checkbox"/> Data management</li><li><input type="checkbox"/> File management</li><li><input type="checkbox"/> API management</li><li><input type="checkbox"/> Container management</li><li><input type="checkbox"/> Infrastructure and provisioning (cloud and ground).</li></ul>

<p>8. Specify the resource category identified in the reference contract</p> <p>Select the applicable statement:</p> <p>Statement A: This resource category was procured through the TBIPS contracting vehicle and is the same as the TBIPS resource category named in item 2 above.</p> <p>OR</p> <p>Statement B: This resource category was procured through the TBIPS contracting vehicle and is similar to the TBIPS resource category named in item 2 above.</p> <p>OR</p> <p>Statement C: This resource category was procured outside the TBIPS contracting vehicle and is similar to the TBIPS resource category named in item 2 above.</p>	<p>Resource Category:</p> <p>Insert the applicable statement in its entirety:</p>
<p><b>9. SOW Tasks including Deliverables for the Resource Category from this solicitation</b></p>	<p><b>Tasks for Resource Category from Reference Contract</b></p>
<p>a) (Insert Task from SOW)</p>	<p>(Insert Task from Reference Contract)</p> <p>Example of text to be inserted: "Maps to SOW Task a)"</p>
<p>b) (Insert Task from SOW)</p>	<p>(Insert Task from Reference Contract)</p>
<p>c) (Insert Task from SOW)</p>	<p>(Insert Task from Reference Contract)</p>
<p>d) (Insert Task from SOW)</p>	<p>(Insert Task from Reference Contract)</p>
<p>e) (Insert Task from SOW)</p>	<p>(Insert Task from Reference Contract)</p>
<p>f) (Insert Task from SOW)</p>	<p>(Insert Task from Reference Contract)</p>
<p>etc.</p>	<p>etc.</p>

<b>FORM M1-A FOR WORKSTREAM 2 BIDDER'S EXPERIENCE</b>
<p>In accordance with the requirements of mandatory evaluation criterion MTC1-A for Workstream 2, provide the following information for each Contract identified:</p> <ul style="list-style-type: none"><li>a) The name of the client organization;</li><li>b) The project name under which services were provided (if applicable);</li><li>c) At a minimum, the client's full name and email address. Bidders are also requested to include the title of the client;</li><li>d) The Contract number or reference number;</li><li>e) The start and end dates for the Initial Contract Period (dd-mm-yyyy to dd-mm-yyyy), not including amendments;</li></ul>

- f) The total initial minimum value (excluding applicable taxes) of the Initial Contract Period, not including amendments, or the total billed value of the Contract (excluding applicable taxes);
- g) A clear statement indicating whether the reference contract was procured through the TBIPS contracting vehicle;
- h) For each resource that is the same or similar to an Application/Software Architect, a Programmer/Software developer, a Technology Architect, and a Project Manager identified in the reference contract in response to item 1. e) in MTC1-A:
  - i) The title of the resource;
  - ii) The full name of the resource;
  - iii) The resource's years of experience (years and months) as an Application/Software Architect, a Programmer/Software developer, a Technology Architect, or a Project Manager;
  - iv) The start date and end date (dd-mm-yyyy to dd-mm-yyyy) of the one-year period in which the resource completed a minimum 80 billable days on the referenced Contract;
  - v) The total number of billable days completed by the resource on the referenced Contract during the one-year period;
  - vi) A list of all the technology applicable suites the resource used while providing services under the referenced contract in the referenced Contract;
  - vii) For similar categories, the mapping of the SOW tasks and deliverables of this requirement to the tasks and/or deliverables of the resource category identified in the reference contract; and
- i) A signed attestation from the Project Authority or Technical Authority for the contract certifying that the contract information provided (excluding h) iii)) is accurate.

For the purpose of this criterion the term 'task' includes the deliverables identified in the SOW for the resource category. For example: If a SOW category identifies 11 tasks and 4 deliverables, the bidder must use any combination of 11 of the category's SOW tasks and deliverables to meet the 70% mapping requirement (70% of 15 = 11).
