## **Request for Information (RFI) #2 - Notice of Upcoming Pilot Project for Full Service Workplace Solutions**

### **Frequently Asked Questions (FAQ)**

**Q1:** I can't meet one or all of the requirements in the draft solicitation and/or Statement of Work. Should I still submit a response?

**A1:** Yes, the purpose of this Request for Information is to gather feedback from industry and, where possible, adapt the requirement to ensure sufficient competition when it comes time to solicit the requirement. If you see a requirement(s) you can't meet, please identify it. For example, the Statement of Work item 2.2.1.2 states the building must be within 600 metres of a Light Rail Transit station and our location is 800 metres away.

**Q2:** I am landlord that may lease to co-working space operators. If I am able to meet some, but not all, of the stated requirements, do you still want to hear from me?

**A2:** same as A1.

**Q3:** I'm a landlord and have leases with the Government of Canada. Does this requirement replace PSPC's practice of leasing?

**A3:** No, PSPC's practice of leasing space, when required, remains the same. This initiative is an addition to PSPC's existing mechanisms for acquiring space. In other words, the government doesn't need more space, but we need more ways to acquire space when needed. This pilot aims to fulfil the need of rapidly accessing fully fit-up space.
