## Request for Standing Offer (RFSO) Amendment 001 is issued to

1. Respond to a question received the during the solicitation period.

---

### 1. Question and Answer:

#### **Question:**

It appears the new RFSO document has removed APPENDIX B2: Current Usage for Waste Removal for CORCAN Construction / Manufacturing institutional sites.

Has the scope of work (locations, container size & quantity, removal frequency) changed at all for any of the Streams?

#### **Answer:**

Correct, the Appendix B2 – Current Usage for Waste Removal for CORCAN Construction / Manufacturing Institutional sites has been removed from this solicitation, as it was for information purposes only and really has no bearing on what CSC is requesting in this solicitation for Waste Removal Services.

➤ Regarding removal frequency and locations –

This is to remind bidders that this is a Request for Standing Offer, requesting scheduled and/or non-scheduled (on demand) Waste Removal Services on an 'as and when needed basis', allowing CORCAN the flexibility to call up for services as their needs demand. Please refer to the Annex A – Statement of Work, 1.4 Schedule and 2.0 Locations of Work, Streams 1 to 6.

➤ Regarding container size and quantity

CSC is requesting prices on a variety of sizes of bins as listed in the Appendix B1 – Basis of Payment, in order to allow flexibility for CORCAN to call-up for bins sizes depending on their program needs.

The quantity of bins is an unknown, again, in order to allow flexibility for CORCAN to call-up for services based on their program need at any given time.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
