The amendment to the bid solicitation is raised to address the following:

1. **DELETE: ANNEX D 'FEDERAL CONTRACTORS PROGRAM FOR EMPLOYMENT EQUITY – CERTIFICATION'** on pg 67.
2. This Request for Proposal for aerological observations is for services at a new site, therefore Environment and Climate Change Canada has not established funding. BuyandSell has information on previously awarded contracts for aerological observations that can be used as a reference.

All other terms and conditions of the Bid Solicitation remain the same.
