This Amendment #002 is raised to issue Addendum No. 2

Please see Addendum No. 2 herein.

The addendum will form part of the contract documents.

**All other terms and conditions remain unchanged.**

**GENERAL**

The following changes / clarifications in the tender documents are effective immediately. This Addendum will form part of the Contract Documents.

**QUESTIONS** (*answer in italics*)

1. Are there record drawings for the existing watermains. It may be difficult to locate the existing tie-in locations without proper as-built information.
  - a. *Record drawings for the existing watermains do not exist. A general understanding of the utility locations is known but would need to be confirmed during/prior to construction.*
2. Does PWGSC prefer full or part-time inspection during construction?
  - a. *Assume part-time inspection during construction.*
3. Given the current scope of work, should a condition assessment person be added to the list of named roles?
  - a. *Each proponent is to build their team as they prefer as long as the minimum requirements described in the RFP are met.*

**END OF ADDENDUM #2**
