## **ADDENDUM 007**

### **INVITATION TO TENDER** **Janitorial Services – Montreal Garrison**

Please find enclosed herewith the above-mentioned addendum which forms part of the tender documents  
Modifications stated herein have precedence over all previous tender documents.

- 1- We have noticed a considerable increase of periodic work hours from 3 598 in the previous contract to 9 035 hours for this bid process, somewhat a 40 % increase, even though the total area to clean and the designed tasks are relatively the same. Furthermore, similar situations also occurred for the three others military bases where increase in periodic hours are closed to 50%. Is it mistake?

You will find enclosed a new form for the bid package with periodic work hours reduced at 4,000.

- 2- Cleaning a medical facility request more time by square meter than a warehouse. It is similar for other buildings. Is it possible to provide us with a breakdown of usage/type per building?

Unfortunately, our janitor services software does not perform such queries. For your information, the four treatment rooms in the L-193 have a total area of 103,7 m<sup>2</sup> and the two doctor offices have a total area of 37.1 m<sup>2</sup>.

***All other terms, clauses and conditions remain unchanged***
