Amendment 001 – is being issued in response to Offeror's questions and Canada's responses.

Q1: *The contract states Controlled Goods (6.1.1.2) however it does not specify the type of Controlled Goods. Is the specific type of Controlled Goods known per the Export Control List?*

A1: No, we do not have a specific type at this time. There is the possibility that this will be required at some point in the contract.

Q2: *The contract states that Canada will provide the office facilities (4.0, 11.1). Is the awarded contractor expected to possess Controlled Goods outside of this location?*

A2: No. Only hard copies would be provided at office facilities.

Q3: *Per 6.1.1.2, can a bid be submitted with a Controlled Goods Program registration in progress?*

A3: A bidder can submit a proposal without being registered in the Controlled Goods program, however access cannot be granted until proof of successful registration is presented.
