3. **QUESTION AND ANSWER :**

Q1- We would like to submit an offer for only the electrical in this RFSO. Do we only include the rates for electrical and exclude all other rates as we are unable to cover these scopes of work?

A1- The bid has to be for all the trades listed in the Statement of Work, para 3.1.1. If a bid is not submitted for all the trades listed, it will be non-responsive.

Q2- Are you in need of Heating and Air Conditioning trade for the maintenance and service tender? I've been told that only 4 trades from that list are needed. Can you confirm this information? We are also interested in the Refrigeration work at this location.

A2- The tender process currently on going is for all trades under one Standing Offer including Heating and Air Conditioning. As for Refrigeration, CFHA does not have a need for that.
