The following changes in the tender documents are effective immediately. This addendum will form part of the contract documents.

This Addendum is raised to provide the following answers to questions provided by bidders.

Q1

Will portions of work be limited to when Ferries are not operating?

A1

Not necessarily. As per below, some work can continue while ferry is operating.

Q2

Will portions work need to be undertaken during night time hours only?

A2

No.

Q3

Will portions of this work be accessible only during the off season? (I.e. During the winter months)

A3

Some can be done during operating season as long as it does not affect ferry traffic and if work won't be affected by the activities of ferry itself (ie concrete etc).
