Question 21

We would like to draw your attention for the following points related to epos connect.

1. As per the link in RFQ documents requested to connect for epost connect.
2. After that we received a mail from epost connect.
3. As per the instruction received, we "*Access the message*".
4. In order to "*create business profile*" we have to include "*Country*". But there are only *Canada and United States* under the *Country*. Hence we can not proceed further.
5. After *Country*, we have to fill *Address*. But it also says "*Enter your address as written on your government issued ID*". We don't have such ID.

Response 21

It has been confirmed through Epost that the submission of responses is available to countries outside of Canada and the United States. Additionally, there is also the ability to submit responses to the Bid Receiving Unit as identified on the front page of the solicitation document. Responses must be received at the Bid Receiving Unit prior to the specified date and time of the solicitation closing.
