This Amendment 001 is raised to answer a Bidder's questions; add the Electronic Payment of Invoices clauses; add the mandatory technical criteria; and insert the correct Annex C.

**Bidder's question:**

**Question 1**

In Annex A – Statement of Requirement, Arri lighting systems are mentioned.

Is it possible to offer different brand lighting devices, if they are of the same, or superior, quality and specifications, in addition to compatible, with Arri products?

**Answer :**

Yes, but any product needs to be able to match all the required and listed specifications.

**Question 2 :**

What is the process to offer equivalent products?

**Answer:**

Instructions with regards to the technical evaluation of items can be found in paragraph 4.1.1.1 Mandatory Technical Criteria, as well as in Annex D.

## **Annex D – Technical Evaluation Criteria**

### **Bidder's Instructions:**

Bidder to submit specifications, published documentation, and descriptive literature for the Quality Broadcast Lighting being offered in their proposal. Details stated in your specifications, published documentation, and descriptive literature will be compared and must meet the requirements in the table below.

If specific published technical documentation is not available or does not specifically address each criteria, the Bidder should provide a written narrative or manufacturer's verification explaining how the offered product meets or exceeds the technical requirements in the table below.

It is incumbent upon the Bidder to submit a complete proposal showing that their items will meet or exceed the technical descriptions described in this solicitation. Failure to submit sufficient information to allow for a full evaluation will result in the proposal being declared non-responsive.

Bidder to complete the Cross Reference column identifying the page / paragraph in their proposal which demonstrates that they meet each of the specified mandatory criteria.
