## **REQUEST FOR PROPOSAL AMENDMENT NO. 002**

**Request for Proposal Amendment no. 002 is raised for the following reasons:**

**1. To questions and answers.**

**Question 5:** Is training required ?

**Answer 5:** Training is not required.

**Question 6:** This is regarding Postscript that was not initially in the mandatory requirements. We hope this specification means that the plotters have the ability to print PDF files and from MAC-OS software.

**Answer 6:** In regards to "Post Script Capability", the devices require to be able to use a Post Script driver, most printers have this by default.

**ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR PROPOSAL (RFP) REMAIN UNCHANGED.**
