This solicitation amendment is hereby issued to address a change in the date of the vessel viewing.

Under:

## **PART 1 - GENERAL INFORMATION**

### **1.2.6 Optional Site Visit**

Remove All.

Insert:

It is recommended that the Bidder or a representative of the Bidder visit the work site.

Given current concerns regarding COVID-19 and to ensure social distancing, Bidders who request attendance at an in-person viewing will have the option to visit one bidder at a time. Arrangements have been made for scheduled, one-hour site visits to occur between 8:00AM and 4:00PM on Friday January 29, 2021 at Institute of Ocean Sciences - 9860 W Saanich Rd, Sidney, BC V8L 5T5.

Scheduled blocks will be assigned on a first come, first serve basis. No more than 4 representatives of a Bidder, including their planned subcontractor representatives, may attend any given scheduled viewing. Social distancing practices must be followed while viewing the vessel in accordance with provincial and federal regulation and protocols, and as further instructed by the attending CCG representative leading the viewing. Note that access to the shipyard is subject to screening for COVID-19 symptoms.

Bidders are requested to communicate with the Contracting Authority no later than January 26, 2021 at 2:00PM PST to confirm attendance and provide the name(s) of the person(s) who will attend. The bidder will then be assigned a vessel viewing time block, advised of the personal protective equipment requirements and the logistics related to their vessel viewing visit.

Bidders may be requested to sign an attendance sheet. Bidders who do not attend or do not send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

**All the other terms and conditions of the solicitation remain the same.**
