Respond to Vendor Questions

Respond to Vendor Question

Question: Section 4.1.1 How are we expected to bid any associated COVID-related costs. Provide labor reports, or subcontractor quotes, including 2-week isolation costs.

Answer: The shipyards have been working around the coronavirus since March 2020, and at this time, should have an idea of the costs associated with working "in accordance with all measures that provincial, municipal and federal governments and public health authorities have instituted to protect against the threat of the severe acute respiratory syndrome coronavirus which causes the coronavirus disease ("Covid-19"), in addition to any other measures implemented by the shipyard/bidder, that were in place or required as of the date of bid submission" . Quarantine for FSR's on allowance are covered on their individual allowances. Subcontractors from out of province requiring quarantine should quote accordingly as per the 4.1.1 in the province where shipyard is located. Any cost associated with evening or night shifts required to respect social distancing onboard the vessels must be included in the bid.
