Amendment 002 is raised to answer questions from industry and update the RFB.

Question 2: I noticed as I went through your NPP that part IV and V for the category 6 collaborative spaces does not include a section for office pods. After reviewing your CAD drawings and the NPP I believe that pods would be a really good fit for the collaborative spaces. Would you consider adding pods to your requirement?

Answer 2: Pods are included in the requirement on page 29 of the solicitation, under "Requirement Part VIII – Product Category: 6".

Question 3: Would Canada accept laminate instead of wood veneer on 2WSSREXXL30L66BELXX?

Answer 3: Canada is changing this GoCUID to 2WSSREXXL30L66BELXX. See revised Table 1, below with new GoCUID highlighted.

At "Requirement Part I - Product Categories: 1a, 1b, 2 & 5",

DELETE: Table 1 in its entirety.

INSERT:
