

## QUESTIONS AND ANSWERS

RFP # 2021-09 - Development of a key terms and definitions document on the topic of Gender and diversity

---

### QUESTION :

For this requirement:

***Public consultation design***

***Task: Designing the consultations and supporting materials***

***• The Supplier will review related materials such as the seed document and the draft PAS guidelines. They will then develop a consultation approach that will be validated by SCC.***

Could you provide us a copy of the draft PAS guidelines so we can build our approach accordingly?

### ANSWER :

The PAS Guidelines are currently under development and are similar to the *Principles of PAS standardization* set out by the British Standards Institute (BSI).
