## SECTION A – INTRODUCTION

---

The Canadian Tourism Commission (“CTC”), doing business as Destination Canada (“DC”), is Canada's national tourism organization and a Crown Corporation of the federal government. CTC supports the Canadian tourism industry by:

- sustaining a vibrant and profitable Canadian tourism industry;
- marketing Canada as a desirable tourist destination;
- supporting a cooperative relationship between the private sector and the governments of Canada, the provinces and the territories with respect to Canadian tourism; and
- providing information about Canadian tourism to the private sector and to the governments of Canada, the provinces and the territories.

Destination Canada is the country's tourism's thought-leader. We act as strategy integrators between our provincial or territorial marketing partners, government partners, and other sector members.

We seek to deliver and inspire ambitious, insightful and aligned content marketing and other economically advantageous actions across Canada's travel and tourism landscape. This is so that the businesses operating in Canada, their employees, and the communities they live in can enjoy long-term prosperity within a dynamic ecosystem where they are empowered to stay ahead of traveller expectations and succeed.

Our mission is anchored on industry-leading research, insight-driven marketing strategies and compelling traveller-centric storytelling, all delivered in collaboration with our industry and government partners. Our raw material is the natural and built environment, the peoples, the entrepreneurial spirit and cultures of Canada from coast to coast to coast and everywhere in between. We rely most directly on our employees and our partners for their energy, creativity and intellect. The world is our playing field. It is a competitive one and, by pulling together, can be richly rewarding for the country.

We believe in the transformative power of tourism and believe that Canada's diversity, its greatest asset, is what touches the hearts of travellers most deeply. To that end, we are committed to inclusive leadership within our workforce, workplace, and interactions with partners and travellers alike.

### **A1. Purpose and Intent**

The purpose of this Request for Supplier Qualification (the “RFSQ”) is to solicit proposals for the provision of graphic design services on an as required basis. See Statement of Work (Section C) for detailed requirements.

It is CTC's intent to develop a roster of pre-qualified proponents (the “Roster”) which will be utilized as required to meet CTC's needs.

This procurement process is not intended to create and does not create a formal binding bidding process whereby every proponent is deemed to have entered into a “Contract A” with the CTC. Instead, the process is intended to enable CTC to learn what proponents can offer by way of goods or services in response to the CTC's Statement of Work. Depending on the number and variety of responses, the CTC will subsequently negotiate with those proposals that best serve its needs, as determined by the CTC.

By submitting a proposal, a proponent agrees to this negotiated process and agrees that they will not bring a claim against the CTC with respect to the award of a contract, failure to award a contract or failure to honour a response to this RFSQ.

In summary, this RFSQ is issued solely for the purpose of obtaining proposals and developing a Roster. Neither the issuance of this RFSQ nor the submission of a proposal implies any obligation

by CTC to enter into any agreement. The intent of this RFSQ is to identify those vendors capable of meeting CTC's requirements and with whom a final agreement may be negotiated.

**A2. Roster Term**

Qualified proponents that demonstrate the ability to meet the requirements identified in this RFSQ may be included on CTC's Roster. The initial term for proponent inclusion on CTC's Roster may be for a period up to five (5) years, with an option to extend on an annual basis by CTC. The total period of the Roster (initial term plus any extensions) is not to exceed ten (10) years. CTC does not grant exclusivity, guarantee business or make any guarantee of the value or volume of work that may be assigned to the Contractor.

**A3. Standing Offer Agreement**

Any proponent, who is selected for the Roster, will be required to enter into a mutually agreeable non-exclusive standing offer agreement ("SOA") with CTC. Each individual future project or service requirement would then be initiated by way of a statement of work ("SOW") and/or a CTC Purchase Order ("PO"), which will set out the specifics of the project or service and will be governed by the terms and conditions of the SOA. Proponents should note that execution of a SOA with CTC pursuant to this RFSQ does not guarantee that any work will be issued to that proponent.

**A4. Roster / SOA Process**

The Roster will be utilized as required, at CTC's sole discretion, to meet CTC's needs. CTC does not guarantee business or make any guarantee of the value or volume of work that may be assigned to any proponent that has qualified for the Roster. See Section I for conditions set out by CTC for using Rosters and SOAs following an RFSQ process.

## **SECTION B – RFSQ EVALUATION CRITERIA AND INSTRUCTIONS**

---

### **B.1 Desirable Criteria Evaluation**

Proposals will be evaluated and scored on the desirable criteria set out below. CTC's evaluation committee may be comprised of CTC employees and consultants to CTC who are bound by an agreement of confidentiality with respect to the RFSQ process. The evaluation committee will be responsible for reviewing and evaluating proposals and making an award recommendation to CTC Senior Executive.

All decisions on the degree to which proposals and/or presentations/demonstrations (if applicable) meet the stated criteria and the scores assigned during the evaluations, are at the sole discretion of CTC.

B.1.1 Desirable Criteria Questionnaire (Section E) 65%

Proposals will be evaluated based on meeting the above desirable criteria. Proposals that achieve a score of 60% or higher (the "Threshold") will be evaluated further based upon, but not limited to Proposed Pricing.

B.1.2 Proposed Pricing (Section F) 35%

TOTAL 100%

Following evaluation, CTC may select a limited number of top ranked proponents (the "Shortlist") to be included on the Graphic Design Services Roster. The CTC reserves the right to select top ranked proponents for the Roster to ensure those selected for the Roster can best meet all of the CTC's requirements.

B.1.3 Negotiations

CTC intends to conduct negotiations with the top ranked proponent(s) as defined in Section G.10 Contract Negotiations.

### **B.2 Proposal Submission, Intentions, and Questions Instructions**

B.2.1 Submissions

Proponents should submit their entire proposal via e-mail to the Contracting Authority by the closing date and time ("Closing Time") of **14:00 hours PT, February 10, 2021**.

Any proposal received after the Closing Time may not be reviewed by the CTC. The proponent has sole responsibility for the timely submission of their proposal.

Proposals should be in PDF format and should be submitted as per the instructions in B.3.4 below. All proposals received as a result of this RFSQ shall become the property of the CTC. The time stamp of CTC's email system shall be the official time for receipt of the proposal.

B.2.2 Intentions

Proponents should indicate if they intend to submit a proposal ("Intent to Submit") via e-mail to the Contracting Authority by **14:00 hours PT, February 1, 2021**.

B.2.3 Questions

Proponents may submit questions via e-mail to the Contracting Authority until **14:00 hours PT, January 13, 2021**. Questions submitted prior to this date will be responded to on or before January 21, 2021. Proponents will have the opportunity to submit any further questions via email to the Contracting Authority until **14:00 hours PT, January 27, 2021**. Questions submitted after this date and time may not be responded to.

If the CTC, in its sole discretion, determines that information generated from any question will be of interest to all, a summary of anonymous questions and answers will be made available to all proponents in the form of an amendment. The source of all questions will be kept confidential.

If a proponent believes that disclosure of a question and response would expose a proprietary aspect of its proposal, the proponent may submit the question with an advisory to the CTC explaining why it should not be included with the posted anonymous questions and answers. If CTC concurs with the request, the question will be answered in confidence and will not be posted. If CTC does not concur with the request, the proponent will be asked to restate the question, and if this is not possible, the proponent has the option to withdraw the question.

#### B.2.4 Instructions

All submissions, intentions, and questions are to be e-mailed to [procurement@destinationcanada.com](mailto:procurement@destinationcanada.com) and should reference "**RFSQ DC-2020-AK-03 Graphic Design Services - CONFIDENTIAL**" in the e-mail subject line. Proposals that do not clearly address the requested requirements and/or do not reference the applicable section numbers may be refused for evaluation purposes.

## **SECTION C – STATEMENT OF WORK**

### **C.1 Background**

Destination Canada's Creative Services department supports the organization to ensure that the materials we produce are on-brand, well designed, and serve their intended purpose. We require freelance print and digital graphic design services on an as required basis. The Creative Services department will assign work and help with making sure the design work suits our needs and is to CTC's quality standards.

The services we require will be produced within CTC's existing brand guidelines. We are not looking for a new brand or an evolution of our brand. Rather we are looking for high quality design work that fits within the framework we have created. The projects may be for corporate communications, business events, research, and other internal teams and may also entail some production work for CTC's consumer brand, Canada For Glowing Hearts.

### **C.2 Objective**

In addition to the examples listed above the Contractor may be expected to work on:

- Research related to design projects.
- Other graphic design work as requested by CTC.

### **C.4 Approach and Methodology**

The Contractor will work with CTC's Creative Department to ensure that the design work suits our needs and is to CTC's quality standard. It is expected that the Contractor will adhere to CTC's brand guidelines as provided by CTC.

### **C.5 Deliverables and Schedule**

Specific project deliverables and schedule will be defined on a case by case basis (i.e. per project). The Contractor can expect two (2) streams of work:

- a) Projects that may require quick turnaround and are basic in nature; these projects may require the deliverable(s) within hours.
- b) Larger or ongoing projects, there may be a few per year in this category.

The hours for any given project may range from an hour up to 100 for a project. For any project the deliverables and schedule will be set at the start of the project by the CTC Project Authority.

## **C.6 Performance Measurement**

The Contractor's performance is measured by reviewing the Contractor's work to ensure it meets the following:

- Meets CTC's design requirements.
- The art work submitted is organized, coherent, and error free.
- Meets the project deadline provided by CTC.

## **C.7 CTC Responsibilities and Support**

CTC will assign a Project Authority to work with the Contractor and ensure projects/tasks are completed on time, within budget, and as scoped. The Project Authority will be the main point of contact for the Contractor. They will provide the Contractor with:

- DC brand guidelines and training on CTC's brand;
- All required information to execute specific Statements of Work; and
- Respond to any queries from the Contractor.

At times, other CTC department team members may be responsible for assigning and managing a project with the Contractor.

- c) The Contractor may be required to provide a response to CTC queries within a few hours and may have projects with urgent deadlines.

## **C.10 Personnel Replacement**

The Contractor will designate a single point of contact, (the "Account Manager"). The Account Manager will act as the Contractor's client relationship partner and overall client service partner. The Contractor will provide a secondary contact to fill in for the Account Manager should they be away or removed from the CTC's account. The Contractor will notify the CTC in writing in advance of any changes in personnel, to not only the Account Manager and secondary point of contact, but any personnel assigned to the CTC's account.

---

Proponents should submit their pricing proposal in a separate file from the rest of their response. In the pricing submission, reference the RFSQ# and name along with company information.

Proponents are encouraged to present a best value for cost when submitting all pricing requests, while taking into consideration all of the requirements in this RFSQ and as demonstrated through their response.

When evaluating proposed pricing, the CTC may consider the total cost of ownership associated with the product or service over its lifetime including, but not limited to, acquisition cost, staffing resources, training, installation, support, maintenance, transportation and logistics, operating costs, and disposal costs. This may also include transition, migration or integration costs which the CTC would be expected to pay. There should be no hidden costs which the CTC discovers at the end of the term.

The CTC does not make a commitment or guarantee of any dollar value or volume of business for any proponent.

### F.1 Proposed Pricing Detail

Please provide the hourly rate for the scope set out in Section C Statement of Work as per table below:

Hourly rate for graphic design services:				
Year 1	Year 2	Year 3	Year 4	Year 5

All prices should be quoted in the **Canadian** dollars, excluding taxes.

### F.2 Payment Discounts

F.2.1 Indicate your payment terms, and explain any early payment discounts available to CTC.

### F.3 Pricing Strategies

CTC may be open to other pricing strategies, incentives, volume discounts or other offerings (e.g. rebates, single volume purchase, credit for returnable product, etc.) that would benefit CTC. CTC, at its sole discretion, may or may not review or consider any such offerings that are proposed.

F.3.1 Please indicate any other pricing strategies that your company may be willing to discuss with CTC.

### G.2 Interpretation of the RFSQ

If a proponent is in doubt as to the intended meaning of any part of this RFSQ or finds errors, omissions, discrepancies or ambiguities, questions may be submitted and, if deemed necessary by CTC, an amendment to the RFSQ may be issued.

It is the proponent's responsibility to understand all aspects of the RFSQ requirements. Should any details necessary for a clear and comprehensive understanding be required, it is the proponent's responsibility to obtain clarification before submitting a proposal.

### G.3 Inquiries and Communication

No individual other than the designated Contracting Authority identified on the RFSQ cover is authorized by CTC to comment on any portion of this RFSQ or the requirements described in this RFSQ. CTC will not be bound by, and the proponent agrees not to rely upon, any information given or statements made by persons other than the designated CTC Contracting Authority.

Making inquiries to an unauthorized person or any attempt to influence the outcome of this process by contacting CTC employees (other than the Contracting Authority), the Board of Directors or government officials will result in immediate disqualification and may result in exclusion from future competitions.

### G.4 Accuracy of Information

While the information set out, or referred to, in this RFSQ has been prepared and included in good faith, CTC does not give any representation or warranty whatsoever that it is all-inclusive or that it is free of error. Some items may change at any time due to business circumstances.

### G.5 Amendments

Information, instructions, modifications, and/or questions and answers may be incorporated by CTC in an amendment to the RFSQ. If this RFSQ was posted on the Government of Canada BuyandSell.com website ("BuyandSell"), CTC may post amendments to BuyandSell, provide to

all proponents who received an invitation, or provide to all proponents who submitted an Intent to Submit a proposal.

It is the proponent's responsibility to regularly review BuyandSell for amendments to the RFSQ that CTC in its discretion may post prior to Closing Time. Such amendments may contain important information, including significant changes to this RFSQ. Proponents are responsible for reviewing all amendments and confirm that all amendments issued have been read and included in the proponent's response (see Appendix 3).

**G.6 Modification and Withdrawal**

Modifications to, or withdrawals of, a submitted RFSQ will be accepted by the CTC by e-mail notice provided that such e-mail is received by CTC before the Closing Time. Modifications or additional information received after the Closing Time will not be accepted except upon invitation and request from the Contracting Authority.

**G.7 Period of Validity**

Proposals must remain open for acceptance for a period of not less than one hundred and twenty (120) days from the Closing Time.

All costs, including travel, incurred by the proponent in the preparation of its proposal, participation in this RFSQ, presentations, demonstrations, or the negotiation of any resulting contract, will be the sole responsibility of the proponent and will not be reimbursed by CTC, unless otherwise indicated. All such costs are taken at the sole risk of the proponent. By participating in this RFSQ, the proponent agrees to absolve the CTC of any responsibility for the same.

**G.9 Language**

Proposals may be submitted in either French or English. The working language for the RFSQ process will be the preferred language of the proponent.

**G.10 Contract Negotiations**

The CTC reserves the right to negotiate contract scope and terms with the proponent whose expertise, experience, vision and reputation are judged to best serve the interests of the CTC, hereafter the "Preferred Proponent". Proponents are cautioned not to assume that the lowest priced proposal will result in a contract award.

The CTC will enter into discussions and negotiations with the Preferred Proponent to reach agreement on the final terms of the Agreement. Negotiations may include requests by CTC for supplementary information from the proponent to verify, clarify or supplement the information provided in its proposal or confirm the conclusions reached in the evaluation and may include requests by CTC for improved pricing from the proponent.

Concurrent Negotiations: The top ranked proponents, as established under the evaluation, will be invited to enter into contract negotiations with CTC. CTC intends to conduct negotiations within the Timeframe for Negotiations.

At any point in the Timeframe for Negotiations, CTC may elect to unilaterally terminate one or more negotiation(s). Final selection of one or more proponents will be determined following CTC's receipt of Best and Final Offers. Final selection will be based upon best overall value to CTC. There will be no legally binding relationship created with any proponent prior to the execution of a written agreement.

**G.11 Contract Award**

If a contract is subsequently negotiated and awarded to a proponent as a result of this RFSQ process;

- any such agreement will commence upon signature by the duly authorized representatives of the CTC and the successful proponent; and
- may include, but not be limited to, the general contract terms contained in Appendix 5.

**G.12 Debriefing**

Upon request, and at CTC's sole discretion, CTC will only provide a debriefing to proponents who met or exceeded the minimum Threshold or Shortlist. All requests must be in writing to the CTC Contracting Authority and should be made within thirty (30) days of notification of award. The intent of the debriefing information session is to aid the proponent in presenting a stronger proposal in subsequent procurement opportunities. Any debriefing provided is not for the purpose of providing an opportunity to challenge the procurement process.

**G.13 Material Circumstances**

A material circumstance means any circumstance or relationship which may lead to an unfair advantage including but not limited to: being associated to or related to a CTC employee or Board member of CTC; having access to information not available to other proponents; communicating with any unauthorized person with respect to the RFSQ process; engaging in any action which constrains or limits the ability of another proponent to submit a proposal for the goods or services herein; providing a gift or benefit to a CTC employee or Board member; or engaging in conduct that compromises or could be seen to compromise the integrity of the RFSQ process (each a "Material Circumstance").

CTC may consider any Material Circumstance (as defined above) as disclosed in a proposal or otherwise, and CTC may eliminate a proposal from consideration on the ground that a Material Circumstance gives rise to a conflict of interest that CTC considers in its opinion would give rise to unfair advantage in the RFSQ process, or would otherwise prejudice the integrity of the RFSQ process.

**G.14 Proponents Not to Promote Their Interest**

Proponents must not make any public comment, respond to questions in a public forum or carry out any activities to publicly promote or advertise their interest in this opportunity.

**G.15 Confidentiality**

The CTC recognizes the proprietary nature of information that may be contained in response to this RFSQ. Proponents must clearly mark and identify those areas of their proposals which contain confidential information. CTC will not use or disclose such confidential information, except for the purposes of evaluating the proposals submitted under this RFSQ or as may be required by law, including but not limited to the *Access to Information Act* and the *Privacy Act*.

Proponents shall keep confidential all information received from the CTC and other information developed for the CTC in connection with this competition. Proponents shall not use CTC's confidential information except as required to develop a proposal and presentation in response to this RFSQ.

Except as required by law, CTC will not disclose or publish the identity of proponents, nor reveal in any way the substantive information and financial terms contained in any proposal. Only the name of the Contractor will be revealed at the conclusion of the process and only after an agreement has been fully executed by the contracting parties.

**G.16 Publicity**

Proponents must not refer, expressly or by implication, to the CTC, or to this competition, in any advertising or other publicity release unless otherwise approved in advance and in writing by the Contracting Authority.

**G.17 No Collusion**

By submitting a proposal the proponent represents that its proposal has been prepared without collusion or fraud and in fair competition with proposals from other proponents.

**G.18 Law**

This RFSQ process and any subsequent agreement will be governed by the laws of the Province of British Columbia and any dispute will be subject to the jurisdiction of the courts of British Columbia and all applicable federal laws.

**G.19 Indemnities**

The proponent shall be responsible for and shall indemnify CTC from all claims, loss and damages that relate to or arise out of errors, omissions or negligent acts of the proponent, its employees or agents associated with this RFSQ process and all costs associated with those claims, loss and damages.

**G.20 Rights of the Canadian Tourism Commission**

In addition, CTC reserves the right, in its sole and absolute discretion, to:

- G.20.1 accept any proposal in whole or in part, with the exception of proposals that fail to comply with mandatory criteria, whether or not it is the lowest priced proposal and without prior negotiation;
- G.20.2 reject any, all or part of any proposal that:
  - i. is incomplete, obscure, irregular or unrealistic;
  - ii. fails to meet the objective of the RFSQ;
  - iii. fails or omits any mandatory information; or
  - iv. is non-compliant with any requirement of this request;
- G.20.3 not accept any deviations from the stated terms and conditions;

## **SECTION H – ROSTER AND STANDING OFFER AGREEMENT CONDITIONS**

---

The conditions set out in this Section regarding the use of the Roster and SOAs are subject to change from time to time as the CTC may deem necessary, without notice to the Contractors on the Roster.

1. The criteria for selecting a Contractor from the Roster for each project or task will vary, depending upon CTC's requirements.
2. The CTC reserves the right to engage any Contractor in the Roster on an "as, if and when requested" basis and may be contacted directly or asked to compete on opportunities for the provision of services.
3. Any Contractor selected to provide services may be required to execute a statement of work that will be governed by the SOA.
4. If Contractors are asked to compete on opportunities, the CTC may not necessarily select the Contractor offering the lowest price, and may also evaluate qualifications or other criteria required for a specific project.
5. Contractors should, during the period that the SOA is in effect, advise the CTC of any material changes to the information contained in their response.
6. The CTC has no obligation to:
  - a. inquire as to the availability of substitute key personnel when advised by a Contractor that the key personnel named on the SOA is not available for a particular project;
  - b. evaluate or accept any substitute key personnel proposed by a Contractor;
  - c. enter into a statement of work with any one or more Contractor; or
  - d. invite any one or more Contractor to participate in competitive processes for a statement of work.
7. The CTC reserves the right to utilize vendors that are not on the Roster.
8. CTC may, from time to time, conduct pre-qualification evaluations with alternative proponents that did not participate in this competition, and/or with proponents that were not selected in previous pre-qualifications. As a result, CTC may, solely in its discretion, add alternative proponents to the existing Roster and increase the number of proponents at any time during the Roster term. There is no assurance that the CTC will require any future additions to the Roster or will accept any requests for inclusion.
9. CTC expects requirements and future evaluations will stay materially the same as the initial pre-qualification process. However, there may be variations depending on CTC's requirements at that time. The basis for future pre-qualification requirements and evaluations will be at CTC's sole discretion.
10. Contractors who are already included on the Roster may retain their pre-qualification standing and may not be required to re-submit proposals for future pre-qualification processes related to this competition. However, CTC may request a Contractor who is on the Roster to re-submit for pre-qualification under the following conditions:
  - a. where a Contractor has not been selected by CTC to provide goods or services to CTC over the course of the Roster term; or
  - b. where CTC deems a proponent is no longer able to meet the minimum requirements defined in the pre-qualification process; or
  - c. any other circumstance that CTC deems may affect the proponent's ability to provide the good(s) and service(s) related to the requirements defined in the pre-qualification process.
11. CTC reserves the right to remove a Contractor from the Roster for any reason that the CTC deems to have a material influence on the ability of the Contractor to satisfactorily provide the CTC with the goods or services under the Roster.
