**W2037-210031/A RCEME School Instructor Services Amendment # 001**

The intent of this amendment is to answer questions from potential bidders and revise some areas of the Request for Proposal document.

---

**Q1.** Can you please confirm if two (2) or three (3) bilingual positions are required?

**R1.** Two (2) bilingual positions are required.

**Refer: 1.2 Summary**

**Delete:** The Department of National Defence (DND) has a requirement for Instructors for The Royal Canadian Electrical and Mechanical Engineers School (RCEME School) at Canadian Forces Base Borden. The contractor must provide the services of five (5) Vehicle Technician instructors (2 Anglophone and 3 Bilingual), one (1) Material Technician, and one (1) Electronic-Optronic Technician, to provide theoretical and practical instruction to Technician Apprentice (DP1) and Journeyman (DP2) students in each related trade.

**Insert:** The Department of National Defence (DND) has a requirement for Instructors for The Royal Canadian Electrical and Mechanical Engineers School (RCEME School) at Canadian Forces Base Borden. The contractor must provide the services of five (5) Vehicle Technician instructors (3 Anglophone and 2 Bilingual), one (1) Material Technician, and one (1) Electronic-Optronic Technician, to provide theoretical and practical instruction to Technician Apprentice (DP1) and Journeyman (DP2) students in each related trade.

**Refer: ANNEX "A" Statement of Work, 4. Scope**

**Delete:** 4.1, in its entirety

Day of Work: For the purpose of this Contract, a day is defined as 7.5 hours of work, exclusive of meal breaks. Payment will be made for days actually worked, with no provision for annual leave, statutory holidays and sick leave. If time worked is more or less than a day, the fixed daily rate must be prorated to reflect the actual time worked with the following formula:

$$\frac{\text{Hours worked} \times \text{applicable firm per diem rate}}{7.5 \text{ hours}}$$

No overtime charges will be authorized under the Contract. All time worked will be compensated according to paragraph above.

## ANNEX "H"

### EVALUATION CRITERIA

A bid **MUST** meet all the following mandatory requirements to be considered valid. Bids which fail to meet the mandatory requirements will be declared non-responsive. Bids must address the points that are subject to the mandatory evaluation criteria against which the bid will be evaluated. Each mandatory requirement should be addressed separately. Bidders must address these criteria in sufficient depth in their bid. Simply repeating the statement contained in the solicitation document is not sufficient.

Bidders should explain and demonstrate how they meet the requirements. Proposals not meeting all of these mandatory requirements will be given no further consideration.

#### 1. Mandatory Technical Criteria:

		Please indicate relevant page number in proposal
<b>Vehicle Technicians (3 Anglophone, 2 Bilingual)</b>		
M1	The bidder must provide resumes for each of the 5 proposed Vehicle Technician Instructors (3 Anglophone and 2 Bilingual),	
M2	Each of the 5 proposed Vehicle Technician Instructors must hold a Class G Ontario driver's license, or equivalent.  The Bidder must provide a current, valid copy of each proposed instructors' license. If the license is not provided with the bid at time of bid closing, it must be provided within 2 days of request from the Contracting Authority.	
M3	Each of the 5 proposed Vehicle Technician Instructors must hold:  A Regular Force QL5 (DP2) Veh Tech Certificate  -OR-  A current certification in: <ul style="list-style-type: none"> <li>Ozone Depleting Products (ODP); and</li> <li>Workshop Hazardous Material Information System (WHMIS)</li> </ul> Plus one (1) of the following: <ul style="list-style-type: none"> <li>Graduation from a two (2) year college Automotive Service Technician diploma program offered by a recognized technical institute ;</li> <li>Graduation from a two (2) year college Heavy Duty Equipment Technician diploma program offered by a recognized technical institute;</li> </ul>	

		Please indicate relevant page number in proposal
	<ul style="list-style-type: none"> <li>Eligibility for registration as an Automotive Service technician or a Heavy Duty Equipment technician by a recognized Canadian licensing body.</li> </ul> <p>-OR-</p> <p>A current Provincially recognized automotive technician license</p> <p>The Bidder must provide a current, valid copy of each proposed instructors' certificates or license. If the certificate or license is not provided with the bid at time of bid closing, it must be provided within 2 days of request from the Contracting Authority.</p>	
M4	<p>Each of the 5 proposed Vehicle Technician Instructors must have a minimum of 3 years' experience in the automotive or heavy equipment industry.</p> <p>For each example that is cited as experience, the following information must be provided:</p> <ol style="list-style-type: none"> <li>Job or position; and</li> <li>Start and end time (month / year) of the experience; and</li> <li>Actual time period (months, years);and</li> <li>Roles and responsibilities, including a description of the work performed and type of deliverables; and</li> <li>Identify the organization and include contact information including contact name, title and current telephone number.</li> </ol> <p>DND reserves the right to validate any or all of the information supplied by the bidder from the referenced experience(s) prior to contract award, by calling the contacts provided. DND will document the responses (if applicable).</p> <p>NOTE: The example(s) provided must have been successfully completed prior to bid closing in order to be considered.</p>	
M5	<p>Each of the 5 proposed Vehicle Technician Instructors must have a minimum of 3 years' experience teaching adults in the last ten (10) years.</p> <p>For each example that is cited as experience, the following information must be provided:</p> <ol style="list-style-type: none"> <li>Job or position; and</li> </ol>	

	Please indicate relevant page number in proposal
<p>b. Start and end time (month / year) of the experience; and</p> <p>c. Actual time period (months, years);and</p> <p>d. Roles and responsibilities, including a description of the work performed and type of deliverables; and</p> <p>e. Identify the organization and include contact information including contact name, title and current telephone number.</p> <p>DND reserves the right to validate any or all of the information supplied by the bidder from the referenced experience(s) prior to contract award, by calling the contacts provided. DND will document the responses (if applicable).</p> <p>NOTE: The example(s) provided must have been successfully completed prior to bid closing in order to be considered.</p>	

	Please indicate relevant page number in proposal
<b>Material Technician</b>	
M6	<p>The proposed Material Technician Instructor must hold:</p> <p>A Regular Force QL5 (DP2) Mat Tech Certificate</p> <p>-OR-</p> <p>The following combination of education and certification:</p> <ul style="list-style-type: none"> <li>a. Secondary School Diploma OR General Educational Development</li> <li>b. Workshop Hazardous Material Information System (WHMIS)</li> <li>c. One (1) of the following <ul style="list-style-type: none"> <li>i. Provincial or Inter-Provincial Red Seal Ticket for all Welders in SMAW, GMAW, GTAW and Oxy-acetylene welding.</li> <li>ii. CWB Journeyman's welding Certificate</li> </ul> </li> </ul> <p>The Bidder must provide a current, valid copy of each proposed instructors' certificates or license. If the certificate or license is not provided with the bid at time of bid closing, it must be provided within 2 days of request from the Contracting Authority.</p>
M7	<p>The proposed Material Technician Instructor must have a minimum of 4 years' experience in the repair welding industry or in the manufacturing industry as a certified welder.</p>

		Please indicate relevant page number in proposal
	<p>For each example that is cited as experience, the following information must be provided:</p> <ul style="list-style-type: none"> <li>a. Job or position; and</li> <li>b. Start and end time (month / year) of the experience; and</li> <li>c. Actual time period (months, years);and</li> <li>d. Roles and responsibilities, including a description of the work performed and type of deliverables; and</li> <li>e. Identify the organization and include contact information including contact name, title and current telephone number OR email address.</li> </ul> <p>DND reserves the right to validate any or all of the information supplied by the bidder from the referenced experience(s) prior to contract award, by calling the contacts provided. DND will document the responses (if applicable).</p> <p>NOTE: The example(s) provided must demonstrate that they have obtained the minimum experience prior to bid closing in order to be considered.</p>	
M8	<p>The proposed Material Technician Instructor must have a minimum of 2 years' experience teaching adults in the last ten (10) years.</p> <p>For each example that is cited as experience, the following information must be provided:</p> <ul style="list-style-type: none"> <li>a. Job or position; and</li> <li>b. Start and end time (month / year) of the experience; and</li> <li>c. Actual time period (months, years);and</li> <li>d. ## 2. Point Rated Technical Criteria:

Proposals will be evaluated in accordance with the following criteria. Bidders are advised to address these criteria in sufficient depth in their proposals. Points will be awarded based on the degree to which the information / material provided demonstrate capability to perform and successfully carry-out the requirement described in this Request For Proposal.

Total of 85 points are available. To be considered responsive, a proposal must achieve the required minimum points listed below.

### 2.1 Corporate Experience (40 points max / min point rating required = 24)

RATED REQUIREMENTS		MAXIMUM POINTS AVAILABLE	RATING SCALE
R1	The bidder should provide the number of years of corporate experience in providing training or post-secondary education.	10 points	1 point per year of demonstrated experience up to the maximum of 10 points.
R2	The bidder should provide the number of years of corporate experience in delivering theoretical technical training courses at the college level.	10 points	1 point per year of demonstrated experience up to the maximum of 10 points.
R3	The bidder should provide the number of years of corporate experience delivering 'hands-on' practical training for college level technical courses.	10 points	1 point per year of demonstrated experience up to the maximum of 10 points.
R4	<p>The bidder should provide a description of the administrative support provided by the bidder to the proposed instructors.</p> <p>The bidder should describe if and how support is provided for the following activities as a minimum:</p> <ul style="list-style-type: none"> <li>a. Travel</li> <li>b. Administration</li> <li>c. Vacation</li> <li>d. Courses</li> </ul>	10 points	<p>The following points will be given if the bidder is able to demonstrate how they support the following activities for the instructors.</p> <p>Travel – 2.5 points Administration – 2.5 points Vacation – 2.5 points Courses – 2.5 points</p>
Total Points Available:		40	
Minimum Points Required :		24	

## 2.2 Approach and Methodology (45 points max / min point rating required = 27)

RATED REQUIREMENTS		MAXIMUM POINTS AVAILABLE	RATING SCALE
R5	The bidder should provide how they propose to cover instructor absences due to illness, other unexpected absences and vacation periods.	15 points	<p>Approach will be evaluated based on the length of time required by the bidder to source a replacement. Points will be given as follow:</p> <p>More than 1 month = 0 points Less than 1 month = 5 points Less than 1week = 10 points Immediately = 15 points</p>
R6	The bidder should describe what procedures are proposed for documenting and maintaining qualification processes and personnel records reflecting individual qualifications and security screening.	15 points	<p>No process or plan. (0 points)</p> <p>Detailed procedures and processes identified. (7.5 points)</p> <p>Requalification periods for each instructor are identified. (15 points)</p>
R7	The bidder should provide a proposed approach to Contract start-up as well as a description of the probable risks related to start-up and staffing and the risk mitigation strategies proposed to mitigate the risks.	15 points	<p>How does the bidder propose to commence start-up of contract? (max 5 points)</p> <p>Identification of risks. (max 5 points)</p> <p>Mitigation of those risks. (max 5 points )</p>
Total Points Available:		45	
Minimum Points Required :		27
