

ADDENDUM # 1

Date: January 13, 2021

Title: Advanced Armored Vehicle Driver Training.

The Department of Foreign Affairs, Trade and Development hereby amends, in accordance with this addendum the Request for Proposals (RFP) for the provision of Advanced Armored Vehicle Driver Training, bearing number 21-179051-AWCT-SA. This addendum hereby forms part of the RFP and the purpose is to:

1. Answer questions related to the RFP that we received
2. Make clarifications to the RFP

This addendum is issued prior to receipt of bids to provide for certain revisions to and clarification of the solicitation documents.

QUESTIONS AND ANSWERS

Q1. Although there is no specific mention of the vehicle for which the training is required on, we would like to know if it is the one specified under 1.Scope, 1.1 Terminology:

TLC 200 Toyota Land Cruiser 200

This is the only mention of a specific type of vehicle that appears in your RFP and, as there are no mandatory requirements specified under 2.7 Training Vehicles, we presume that the vehicle may not necessarily need to be a Toyota Land Cruiser 200.

Are we correct in this assessment regarding the type of vehicle (Make and Model) to be used for this training?

A1. This information is correct, the requirement does not mandate the use of TLC 200 Toyota Land Cruiser 200, however, the type of vehicle that will be used to deliver this training must meet the requirement specified in the Statement of Work (SOW), **section 2.7 Training Vehicles:**

Training vehicles must be:

- Road worthy AV SUVs, in excellent working condition with fully operational and functioning air-conditioning and heating systems.
- 4WD AV SUV with a ballistic rating of BR-4 Level or greater.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
