

**This amendment 002 is raised to answer questions from suppliers:**

**Questions and Answers**

**Q1:** They are requesting installation for February, is there a possibility they would accept a later installation date?

**A1:** **Delivery and installation must be before March 15, 2021.**

**Q2:** We would like to request an extension due to the holidays and office closures.

**A2:** **Bid closing will be extended to January 14, 2021.**

**Q3:** Tables where specified for Power/Data --- Do you want a USB port as well?

**A3:** **If USB is available in addition to the requirement, it would be acceptable**

**Q4:** Tables specified as "panel" support --- would a Bridge base or Column base be acceptable as alternatives?

**A4:** **Bridge is acceptable, as long as there is a way of providing power and data cleanly. Column bases are not acceptable.**

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED**
