B. QUESTIONS AND ANSWERS

Question 1	<p>For Criterion R2.2, the evaluation criteria list 10 points per stakeholder type. The relevant Form 4B also asks us to specify number of days/years engaging with stakeholders.</p> <p>Is the allocation of full points subject to a certain number of days/years engaging with four or more stakeholders, or will full points be allocated based on just having engaged with four or more stakeholders.</p> <p>Further, the form asks for one number to summarize the engagement with stakeholders – could you confirm this is the total amount of time engaging with any stakeholder?</p>
Answer 1	<p>Criterion 2.2 is to be demonstrated in TECH-4A, not in TECH-4B.</p>
